1 of 1 people found the following review helpful. Perfect guidebook! By Christa Summers I have heard of Etsy before

but never had the chance to try it on my own then I stumbled upon this book which got me more curious on trying it. It guides you on everything you need to know about Etsy - from creating an account, selecting a username, collecting sales tax on your sales, and everything. The main essence of the product is to connect global entrepreneurs for selling what they make and for shoppers who are looking for unique products. It also guides you on what and what not to sell on Etsy. Perfect guidebook! 1 of 1 people found the following review helpful. Sell more on Etsy By Brian H. This guide is very helpful. It contains everything you want to know about how to create your account, how to collect sales tax, strategic marketing techniques, how to interact with members in forums and more. If you plan to start a business on Etsy, I recommend this book. Etsy has been a new place to sell or buy things and a lot of people are using it nowadays. 0 of 0 people found the following review helpful. Etsy - an online marketplace! By Customer Etsy is an online marketplace where people from across the globe can interact with each other and engage in activities of buying and selling handmade crafts and goods and vintage items. Very practical and useful guide into selling your crafts online, primarily aimed at Etsy marketplace, but can be adapted to any of the online sites. It covers the essentials of getting started, right down to listing your products This book would be best for people new to selling on Etsy. It gives a nice overview of starting an online Etsy business.
