Five StarsBy musicmommaa very good coloring book.7 of 7 people found the following review helpful. which is nice, but i do wish the author used better ...By TenaI just bought Inky Christmas and Inky Galaxy. They are both one sided, which is nice, but i do wish the author used better paper. Also, I was surprised that these books were smaller than the other two books i have by this author. Her other books are 8..5 by 11, but Inky Christmas and Inky Galaxy are 8.5 by about 8. The artwork though is beautiful and imaginative, which is the reason I get this author's books. :-)2 of 2 people found the following review helpful. Nice artwork, but poor quality of paperBy Nice personNice artwork, but poor quality of paper.

A wonderland of 32 magically-enchanting illustrations, await your imagination! ... A square book featuring: summer Christmas scenes, pets climbing presents, whimsical elves on shelves to the chocolate factory, penguin ice bar, and Santas chaotic mail room there is plenty to captivate and entertain. ... The series so far: Inky Ocean, Inky Garden, Inky Mandalas, Inky Mandalas Mix, Inky Extreme, Inky Dinky Blossom, Inky Lifestyle, Inky Galaxy, Inky Whimsy and
