Pat Moore, Pirco Wolfframm : Eva Zeisel: Life, Design, and Beauty before purchasing it in order to gage whether or not it would be worth my time, and all praised Eva Zeisel: Life, Design, and Beauty:

Eva Zeisel was one of the twentieth century's most influential ceramicists and designers of modern housewares. Her distinctive take on modern industrial design was inspired by organic form and brought beauty and playfulness to housewares, earning her designs a beloved place in midcentury homes. This richly illustrated volumethe first-ever complete biographical account of Zeisel's life and workpresents an extensive survey of every line she ever created, all captured in gorgeous new photography, plus 28 short essays from scholars, collectors, curators, and designers. The definitive book on the grande dame of twentieth-century ceramics, this is an essential resource for anyone who appreciates modern design.
