**Matthew Gardiner : Everything Origami (Binder)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Everything Origami (Binder):

This is the ultimate guide for origami fans of all ages, perfect for the millions of enthusiasts around the world. Making origami more accessible than ever, this bestselling book gradually moves through the world of origami: History and growth of the hobby; basic folding guidelines to master; types of paper; fan clubs around the world and beautiful pieces to build across five sections, with each section slightly more challenging than the one before it. Includes simple step-by-step instructions and 24 sheets of origami paper. You'll be amazed at your own great origami figures as you master the simple steps. Have fun folding and learning!
