6029 Fat Quarter Bags: Gather up your fat quarters and get ready for some fun! Each of these eye-catching bags from

Stephanie Prescott of A Quilter's Dream can be created with just six fat quarters. Study the photographed models to get a feel for how to mix and match fabrics for intriguing results. Most include color variations to demonstrate the dramatic power of fabric selection. Reflecting the scrappy nature of the designs, each bag has a different look on the front and back and a variety of roomy pockets inside. Cutting diagrams and rotary cutting tables are provided to help you get the most of each fat quarter. A fun way to play with pattern and color, these bags are truly a quilter's dream!
