Upcycle your old wool garments, discover uses for your leftover scraps and stash, and make new things from what's on hand! Felt So Good is all about wool. A wonderfully versatile material, wool is a simple and satisfying fiber to

work with, and that makes these projects very accessible for crafters of all levels. Norwegian designer Tone Rrseth has put together a delightful collection of projects for clothing, accessories, and items for the home. She guides the reader through the different types of wool felt to buy and shows how to upcycle your slightly worn, slightly damaged, or out-of-style wool sweaters into fabulous new items for your wardrobe and your home. These uncomplicated and charming designs are ideal for beginners, as well as inspiration for the seasoned crafter. Readers learn how to felt and embellish a wool sweater, transforming it into beautiful handbags, mittens, scarves, soft toys, pillows, and more! Rrseth's designs are whimsical and fun, and most can be made in an evening or a weekend. She has even included a section dedicated to holiday decorations, such as garlands, tree ornaments, and table decor.

About the Author Tone Rrseth is a jewelry and accessories designer, as well as a photo stylist for various interior design magazines. Tone graduated from the Beckmans School of Design in Stockholm, Sweden.
