At this price you can order at least one or two of these books for all your friends. As you can see from the cover picture, this is a brightly illustrated book. Some of the pages also have pastel backgrounds.Some of the best gifts I have ever received have been tiny books. I put them in my purse and enjoy reading them when I have to wait in line or wait for a table at a restaurant. With this book, it is time well spent.~The Rebecca Review
