Ondori Publishing Company : Fun and Fancy Cross-Stich before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun and Fancy Cross-Stich:

0 of 0 people found the following review helpful. perfect for borders or corners of larger projectsBy Maria Luiza NeryA lovely selection of small projects, perfect for borders or corners of larger projects.

Headings include: floral designs, dreamland, Toyland, merry-go-round, carnival, zoo and alphabet. Each design is

perfectly photographed in color and also presented as a graph. If you are familiar with DMC and Odor publications then imagine what happens when they combine to publish a cross stitch book!
