Happy2 of 2 people found the following review helpful. Five StarsBy Alan D. BlenderThey were a hit at Christmas.0 of 0 people found the following review helpful. Five StarsBy CustomerJust what I was looking for great product.

Six sturdy pre-cut outlines make it easy for youngsters to trace and color a commercial jet, a helicopter, a light plane,

and three other aircraft. The open stencils require no cutting or punching out, and the simple shapes make tracing easy. Adults will also find these reusable designs a great way to add airplane appeal to a nursery, child's room, or classroom.
