**Paul E. Kennedy : Fun with Boats Stencils (Dover Stencils)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun with Boats Stencils (Dover Stencils):

Tracing and coloring fun for young sailors in this sturdy stencil collection with a boating theme. Outlines for a sailboat, motorboat, Mississippi riverboat, Chinese junk, and two other vessels can be used again and again for a variety of projects. Parents and teachers will love the low price too.
