I bought 9 of them for painting onesies at a baby shower. So much more cost effective than other stencils I considered. Stencils are done on thick stock paper and there wasn't one design that was at all disappointing. Would buy time and time again. 1 of 1 people found the following review helpful. Easy to use and the perfect size By EMM Used this for a Onesie and Bib station at a baby shower and they were a hit. Easy to use and the perfect size. There are 6 stencils in each booklet, they're perforated so you can take the booklet apart. The size of the stencil is about the size of a 4x6 pic and was the right size for our

project. They are a coated card type material but were very durable as they were used by many people, many times. Would definitely purchase them and use them again. 0 of 0 people found the following review helpful. Good Gift By James L. Webster Gift for my 7 yr. old niece, who I am told enjoyed it, along with the Crayola Air Marker Sprayer.

This delightful stencil collection of six different animals offers youngsters unlimited trips to the zoo! Sharply outlined, pre-cut stencils depicting a tiger, lion, elephant, monkey, giraffe, and polar bear will captivate children and provide hours of creative fun at home or in school. Use the stencils again and again to draw pictures with crayons, colored pencils, and watercolors; to decorate favorite belongings; to make figures for your very own cut-out menagerie, and much more.
