**From FW Media : FW Media Interweave Press, Sockupied** before purchasing it in order to gage whether or not it would be worth my time, and all praised FW Media Interweave Press, Sockupied:

5 of 5 people found the following review helpful. Lots of good informationBy LyleI'm an experienced knitter, but a beginning sock knitter. I like this book because it gives you a lot of options and techniques to try. My only complaint about the book is that it doesn't lie flat, such that I need to place something on it to hold the book open.2 of 2 people found the following review helpful. I just received this book today and it looks terrific. I love all the sock patterns and would ...By Debra KellingtonI just received this book today and it looks terrific. I love all the sock patterns and would to make them all. It has instructions for multiple cast on and bind off methods for toe up and top down socks. Also I was happy to see an explanation for working the stranded color socks, and ways to repair holes that may develop in your socks. This is a great book for every sock knitter.1 of 1 people found the following review helpful. Five StarsBy LindaGreat book, which has a variety of sock patterns, from the easiest to the more challenging. Clearly written

directions.

FW Media-Interweave Press: *Sockupied*. Simple patterns to appeal to beginners while stunning color work and unusual construction will tempt seasoned sock knitters. The book features six toe-up patterns as well as those with standard top-down construction and projects include basic socks for beginners as well as cables lace color work and texture patterns. This book brings knitters a collection of twenty sock patterns. Author: Anne Merrow. Softcover; 168 pages. Published Year: 2014. ISBN 978-1-62033-795-0. Imported.

"Whether you want cables, lace, Fair Isle or some combination thereof, these patterns will give many knitters new material and will give other knitters a nice compendium of recent favorites." --"In Stitches" column MyCentralJersey.com  
"First, it has great photography and an attractive layout that's easy on the eyes. Second it has a nice range of patterns, from plain to fancy." --Knit and Travel  
"With a strong design aesthetic, incredible patterns and the inclusion of the industry's top sock designers, *Sockupied* hits it out of the park with this unique digital-to-print transformation." --Slate Falls Press
