**Lydia Edwards : How to Read a Dress: A Guide to Changing Fashion from the 16th to the 20th Century** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Read a Dress: A Guide to Changing Fashion from the 16th to the 20th Century:

24 of 25 people found the following review helpful. Four Stars By jennifer bristow This book leaves out the first half of the 18th Century and focuses on upper class and court clothing. 7 of 7 people found the following review helpful. This is a fabulous reference for period clothing. I've ... By Kris This is a fabulous reference for period clothing. I've also learned the actual name of some things that I didn't before. 5 of 5 people found the following review helpful. Three Stars By Leslie Littell Good images, basic information that could be helpful for the newcomer to fashion history

Fashion is ever-changing, and while some styles mark a dramatic departure from the past, many exhibit subtle differences from year to year that are not always easily identifiable. With overviews of each key period and detailed illustrations for each new style, *How to Read a Dress* is an authoritative visual guide to women's fashion across five centuries. Each entry includes annotated color images of historical garments, outlining important features and highlighting how styles have developed over time, whether in shape, fabric choice, trimming, or undergarments. Readers will learn how garments were constructed and where their inspiration stemmed from at key points in history as well as how dresses have varied in type, cut, detailing and popularity according to the occasion and the class, age and social status of the wearer. This lavishly illustrated book is the ideal tool for anyone who has ever wanted to know their cartridge pleats from their Rcamier ruffles. Equipping the reader with all the information they need to 'read' a dress, this is the ultimate guide for students, researchers, and anyone interested in historical fashion.

This original, accessible take on fashion history is packed with color images, and each example garment annotated with terminology, key elements of the shape and construction, and other details of note. -C. E. Berg, Museum of History and Industry, CHOICE
