about business. I didn't learn much. Not the fault of the seller that I knew more than I thought I did.0 of 0 people found the following review helpful. Love the BookBy Jasmin Thummler-ErdmanI love the book. So much information. I've already used some of her tips. I can only recommend it.

How to Start a Home-Based Jewelry Making Business is for creative, talented women who want to turn their passion for beautiful jewelry into a profitable sideline or full-time business. Selling and making jewelry is one of the more high-margin craft businesses and with the right approach to sales and a stylish look, one can develop a devoted following. In addition to the essentials common to the series, this book also includes information on pricing jewelry, setting up a Web site, and how to get celebrity attention.

From the Back CoverEverything you need to know to run a successful jewelry making business from your home
