The projects are things that I have seen before in other craft books, but Ishtar's unique style really shines. She offers a fresh perspective to tried and true projects, and it was fun to take in all the details that make her offerings so interesting. Her attention to detail inspires me to want to make all of her projects! It's rare that I find a book that I get excited enough about to bring home. I'm so glad I found this one!

Stamping has long been popular, for its simplicity and versatility. Accessible to crafters of all abilities, cheap, and easy to do at home, it allows you to get creative and personalize your stationery. With over 100 traceable templates

including cute characters, flowers, and decorative elements, and with clear step-by-step illustrations, *I Stamping* will equip you with all the skills you need to get playful and create your own stamps. There are over 30 projects to choose from, including sweet cupcake toppers, an assortment of envelopes and adorable wrapping projects, plus oodles of inspiration.

About the Author Ishtar Olivera is an illustrator, designer, photographer, and all-round crafter. Inspired by Japanese culture, nature, and children's books, she has been making and creating stamps of cute characters, for as long as she can remember. Ishtar has been teaching stamping workshops since 2011 and contributed to the book *Stamp It!* in 2013.
