Love the teapots!By MaidenhkReally nice patterns that inspire numerous projects. I love the teapots patterns. If you have the teapots madness like I do, you'll enjoy this design. This book has folksy, whimsy, angelic, flowery patterns that I would recommend to fellow cross stitch crafters and collectors.\*Note\*: The Kindle copy I got did not come with any charts. However, it has a link to which "All charted designs can be found at:." There was a slight problem with the page. So I contacted the customer service at the website. Their respond was quick and I

was a satisfied customer within 36 hours.

Stitch something extra-special for a special someone in your life with this fantastic selection of cross stitch patterns for friends family, from some of the world's leading cross stitch designers. This booklet features 17 unique and timeless designs all on the theme of love and friendship, in a range of styles, with clear, full-colour cross stitch charts and easy-to-follow sewing instructions for each project. Each design features a saying or sentiment that is ideal to stitch for a loved-one. From celebrating friendship to sending loving wishes, there are cross stitch projects included in the form of sampler designs, stitched pillows, cross stitch cards and a photo album cover - all perfect for giving.
