Just exactly what he was wanting to identify rocks and gems.0 of 0 people found the following review helpful. Gems Precious StonesBy Anne S.The posting was excellent. The book arrived on time. I am so impressed with this charming book on gems and precious stones, that it is by my side all the time.2 of 2 people found the following review helpful. InformationalBy Kathy Jo DoyleInteresting reading and very informational for a beginner, great book. Pictures are wonderful they show the exact gem some I have never heard of, learning a lot from this little book.

Great book!
