**William A. Turnbaugh : Indian Jewelry of the American Southwest (Schiffer Book for Collectors)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Jewelry of the American Southwest (Schiffer Book for Collectors):

More than 125 vivid color photographs display Indian-made wrought silver, turquoise, shell and coral jewelry brought together from the American Southwest's bright deserts, red canyon and timeless pueblos. The authors explore the diversity of this hand-crafted jewelry from historic collections as well as those available today on reservations and in shops and galleries. They explain the heritage conveyed by these distinctive products of Navajo, Zuni, Hopi, and Rio

Grande Pueblo artisans.
