**Angie Grace : Ink Doilies: Angie's Patterns, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ink Doilies: Angie's Patterns, Vol. 1:

1 of 1 people found the following review helpful. I love Angie Grace coloring booksBy JenI love Angie Grace coloring books. This one in particular is a little easier than the rest of her books and is a great starter one for people just getting into coloring.I love any of her books and would recommend all of them to everyone looking for something great to color. They are very distinctive in design and she takes a lot of time creating something special for each book. They are unique patterns that are drawn with a lot of thought about how it's best to color compared to a lot of other books on the market that are computer generated.I always come back to Angie's books no matter what else I color and recommend them highly!0 of 0 people found the following review helpful. Not necessarily my favorite but I still enjoyBy Kindle CustomerIt is ok. Not necessarily my favorite but I still enjoy. Keeps me from falling asleep too early! LOL0 of 0 people found the following review helpful. Angie DisappointsBy Micki KriegerI have many of Angie Grace's coloring books. They are all beautifully done on good paper and provide hours of enjoyable coloring. Not this one! The paper is thin, the designs more simplistic than I've come to expect, and the lines were thin and not uniform. Not sure if it was a printing run gone bad and so I emailed Angie to ask. No reply from her so I returned this one.

A perfect blend of detail, pattern and whimsy, Angie Grace brings you 50 original coloring designs suitable for adults and older children. In this volume you'll find repeating motifs, kaleidoscope inspired symmetry and delightfully

doodled doily curves and swirls. Artwork is printed on one side of the page only and has been drawn with marker artists and colored pencil fans in mind. (Crayon artists, keep your sharpener handy!)

About the Author Angie Grace is the author of five popular coloring book series: Angie's Patterns Angie For Crayons and Wide Tipped Markers Angie's Coloring Journals Angie's Extreme Coloring Books Angie's Extreme Stress Menders
