Not what I thought it was, I thought there would be different prompts every day but it's the same prompt everyday. Really disappointed. It would be nice if you just wanted to write a little bit everyday but as far as thought provoking prompts go it's not very good.

I bought this as a gift for a prisoner pen pal. I usually send him journals which he likes. This one, he said it was the best.

By ~Lisa  
Great journal for me because it has lead questions on one page and the other side is blank for me to write whatever I choose. I really like the thought provoking questions and need them. The journal helps/reminds me to be thankful. I would highly recommend this journal. The days you write in yourself so if you miss some days it's okay.

This guided daily journal undated diary has 362 pages (enough space for 180 days i.e. approx. 6 months) with daily prompts and a spacious two page spread per day with plenty of space for free writing and adding your own image or drawing. The pages are undated so you can start your creative journey whenever you wish. The journal is especially useful for reflection and idea generation as well as expressing gratitude. This journal is essential for those who love the idea of prompts for inspiration but also want plenty of space for freehand writing and drawing. This is a perfect journal for a diary and is great for jotting down and planning your ideas or can be used as a progress journal for all your ideas and inspirations. The journal has a soft yet sturdy cover and is perfect bound so pages will not fall out. The spacious, yet handy-sized 7"x10" format means there is plenty of room for your thoughts and reflections. Handy 7"x10" format. 362 pages for writing and reflection. White Opaque Paper with grey/black lines. Soft, sturdy cover. Perfect bound so pages will not fall out.
