Jekka McVicar : Jekkas Complete Herb Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Jekkas Complete Herb Book:

0 of 0 people found the following review helpful. Beautiful pictures which help yo identify the herbsBy Daniel H. GrantBeautiful pictures which help yo identify the herbs. Very well written information on the history of each herb and how it is used. There is an excellent section on herb cultivation.11 of 11 people found the following review helpful. The Complete Herb BookBy Diane S. ClarkWhat an extensive encyclopedia of information from A-Z! Complete information in easy to use format with information from propagation, pests and diseases, maintenance, garden cultivation, harvesting, companion planting, container growing, medicinal uses, other uses, and culinary applications more! I made the Chive Butter and it's hmmm, hmmm, good on sweet corn on the cob! Next I plan to try the Sweet Marigold Muffins. It also has info on planning a herb garden with 10 sample plans, beautiful photographys throughout, how to preserve herbs by drying and freezing, and making and using natural dyes! It's a 5 star addition to my extensive herb library.0 of 0 people found the following review helpful. Five StarsBy Thelma Janet McLaughlinBook and service is excellent.

This is one of the all-time classic gardening bestsellers with over 350 varieties of herb to grow and over 200 delicious and inventive recipes. It is a spread-by-spread reference work bringing together all aspects of an individual herb-history and folklore, species to grow and cosmetic, medicinal and culinary uses. Chapters on propagation, harvesting and making herb oils are complemented with ideas for ten different designs for herb gardens and a unique yearly calendar. Accurate colour photography means that identification for the reader is simple as well as making the book a glorious companion-the only book on the subject the reader will ever need.

About the AuthorJekka McVicar has run her Herb Farm for 22 years. She is on the RHS council and has been awarded 59 Gold Medals for her herb exhibits at RHS flower shows. Jekka is also well known for her regular appearances on TV and radio gardening and cookery programmes.
