He is interested in ancient civilizations and antiques. He found this book to be very informative with great high quality images.7 of 7 people found the following review helpful. Couldn't put it down.By xBetter than average photos and informative text. The examples are by definition museum quality. If you are inspired by the designs captured by antiquities, this is a fabulous survey. The level of skill and craftsmanship required to make some of these pieces is astounding.0 of 0 people found the following review helpful. ... culture has their own interpretation of what is considered beautiful.
