It also gives the finished size and a color chart for each piece.5 of 5 people found the following review helpful. Audubon Birds in Cross StitchBy Melody L FarrisEverything in the John James Audubon's Birds in Cross Stitch by Ginnie Thompson is great!The pictures are in color but the charts are black and white and very easy to follow. However, the pictures and charts are for the most part on opposing pages.I find this book as one of my favorites!Happy Stitching!Melody1 of 1 people found the following review helpful. NiceBy Amy McLaughlinVery nice book. Only problem is thread colors are for Danish flower thread. Never heard of it nor seen it for sale nor found equivalency chart

Features 20 Different Designs from the Drawings of John James Audubon.
