Jim Whitaker : Josef Originals: Figurines of Muriel Joseph George (Schiffer Book for Designers Collectors)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Josef Originals:
Figurines of Muriel Joseph George (Schiffer Book for Designers Collectors):

1 of 1 people found the following review helpful. Josef Original bookBy lenore from OregonI have two other books on Josef Originals and they are very helpful. What is unique about this one is that the prices are on the same page as the figurines. You don't have to keep referring to the back of the book for the prices. Saves the customer a lot of hassle. Nice sturdy book, very thick paper, nice and colorful.2 of 2 people found the following review helpful. She was very pleased.By Jeffrey L. BethuneI bought this as a gift for my mother-in-law, who collects Josef Originals: She was very

pleased. 1 of 1 people found the following review helpful. Great book By Cindy Malmin Happy to add this to my collection. Although used, it is in great shape and true to its description by the seller.

The original designer of Josef Originals, Muriel Joseph George, is introduced for the first time through family photographs and interviews with family members. This book gives valuable insight into the life and times of this talented artist through written historical accounts and depictions of her work. Josef Originals have long since been favored by collectors as they explode with color and sparkle with life. Unique designs of dogs, cats, people, and more are featured throughout this book, making it a wholly enjoyable collector's guide. This is new information Josef enthusiasts have been seeking for years. Over 600 color photos of 850 figurines made from the 1940s to the 1980s, an informative text, descriptions, and current value ranges provide the reference no figurines collector can be without.

About the Author Jim and Kaye Whitaker are widely recognized as expert dealers in Josef Original figurines who publish a quarterly newsletter from their home in Washington state.
