Inc. Sterling Publishing Co. : Jumbo Origami Paper Pack: 300 Sheets of Origami Paper Plus Basic Fold Instructions before purchasing it in order to gage whether or not it would be worth my time, and all praised Jumbo Origami Paper Pack: 300 Sheets of Origami Paper Plus Basic Fold Instructions:

8 of 8 people found the following review helpful. 8 X 8By Zully LinaresVery pleased with this set. Very good quality. Doesn't tear easily. Nice, bold colors. Easy to work with. I was afraid the pages would be tiny (for the economic price, and since it doesn't specify size anywhere on the description) but they the pages turned out to be 8 X 8.6 of 6 people found the following review helpful. Great Origami Paper!By TabithaGreat Origami paper! It's well worth the price. The pages tear out so easily. Only thing to be aware of is most of the paper IS animal print-zebra, bird feathers, cheetah, etc. There are no solid prints-this isn't a bad thing but something to be aware of.3 of 3 people found the following review helpful. The paper selection is nice, thin enough to fold for complicated designsBy strayfarceThe paper selection is nice, thin enough to fold for complicated designs. It's bound like book and you peel away the sheets from the spine glue, which I'm not keen on as even just a minute amount of residual glue can impugn the integrity of the piece you're making. But the pattern selections are lovely and it's a good deal for the price.

Paper crafters who love the Asian arts of origami, kirigami, and kusudama will find this jumbo book is a creative treasure! In addition to basic techniques and instructions for making a graceful paper crane, it contains more than 300

pullout sheets of beautifully designed, colorful origami paper in animal skin prints, geometric patterns, and traditional Asian motifs.
