Five StarsBy Healthy HeatherGreat book, full of short, easy projects with a Scandinavian flair. So many gift ideas!

Traditional Nordic patterns have become all the rage, and this fashion-forward collection from designer Eline Oftedal offers a modern spin on four iconic Norwegian patterns: Marius, Voss, Setesdal, and Fana. Twenty contemporary projects range from an iPad and phone cover to a teddy bear and hot pants. Oftedal delves into the inspiration behind the designs, exploring their origins and worldwide appeal.

From the Author Eline Oftedal has designed for Vogue Knitting, Plymouth yarns (UK) and The Knitter. She also sells her work on Ravelry and Etsy. She lives in Oslo where she is Head of International Operations for Lions Club Norway.
