By frankdiabetes There are a lot of cute projects in here, but there are no instructions for sizing an item up or down. This obviously doesn't much matter for things like scarves, but it would be nice to be able to make the mittens and socks in various sizes, and unfortunately, I am not adept enough at knitting to know how to adjust the patterns myself. For example, the hedgehog mittens on the cover "should fit an average child of 7-10 years", which is disappointing to me as a 31 year old woman who wants to wear them. :(1 of 1 people found the following review helpful. Too Cute! By StellaR Baker The patterns

are adorable, but mostly for children through teens. I struggle to find one for myself and most of my nieces and nephews are grown. 3 of 3 people found the following review helpful. Love the patterns but will for Christmas gifts this year. Love the patterns

'Water Lovers' include a shark scarf complete with fin, and a pair of penguin socks, while 'Wild Animals' range from an elephant scarf to a zebra cowl and snake socks. There are loads of scarves for small kids, big kids, and young adults, plus a cute collection of socks in the form of cats, owls, mice, and more. Cowls and mittens, and some hat/scarf combinations, complete the set.
