So alluringly written that one is trying out the suggestions almost immediately. Slightly challenging for visual learners- few instructional photos, but some drawings. Oh well, that's what YouTube is for.0 of 0 people found the following review helpful. Can't go wrong with EZ.By RebeccaYou may think you know your stuff about knitting but it is always good to have a refresher. I purchased this for the baby sweater on two needles pattern but have used the book endlessly. A great gift for new and experienced knitters alike!1 of 1 people found the following review helpful. Zimmerman is always goodBy Heather GladneyGood gift for a knitter. Sort of a commentary through the year, plus following her interesting and different train of thought.
