Tim Blaisdell, Ed Urmston Sr. : Standard Guide to Athearn Model Trains before purchasing it in order to gauge whether or not it would be worth my time, and all praised Standard Guide to Athearn Model Trains:

Athearn HO scale model railroad equipment has been a popular choice for hobbyists over the last 50 years. Here, the company's complete production history has been assembled into a comprehensive catalogue of Athearn models available. It details 4000 models, 2200 of which are out of production, with checklists and information to identify both rare and common kits.
